

UC San Diego - WASC Exhibit 7.1 Inventory of Educational Effectiveness Indicators

Academic Program	(2a) What are these learning outcomes? <u>Students graduating with a degree should be able to:</u>	(3) Other than GPA, what data/evidence are used to determine that graduates have achieved stated outcomes for the degree? (e.g., capstone course, portfolio review, licensure examination)?	(4) Who interprets the evidence? What is the process?	(5) How are the findings used?
Department: Anthropology Major: B.A. in Anthropology: Concentration in Biological Anthropology (AN26)	Written Communication Effectively communicate via papers and projects	Written Communication Throughout the Anthropology program, students write research and critical papers. Honors students compose a thesis on a research topic.	Written Communication Director of Undergraduate Studies, Departmental Chair, full faculty, lecturers	Written Communication Individual course instructors use feedback to modify their classes and design new courses.
B.A. in Anthropology: Concentration in Biological Anthropology (AN26)	Oral Communication Effectively communicate via in-class discussions and presentations	Oral Communication Participation in seminar courses, presentations for projects, and presentation of the senior honors thesis	Oral Communication Director of Undergraduate Studies, Departmental Chair, full faculty, lecturers	Oral Communication Individual course instructors use feedback to modify their classes and design new courses.
B.A. in Anthropology: Concentration in Archaeology (AN27)	Quantitative Reasoning: Depending on the course, students may have the opportunity to analyze quantitative data.	Quantitative Reasoning Students have the opportunity to work on independent/group research with a faculty mentor to analyze quantitative data and solve problems	Quantitative Reasoning Director of Undergraduate Studies, Departmental Chair, full faculty, lecturers	Quantitative Reasoning Individual course instructors use feedback to modify their classes and design new courses.
B.A. in Anthropology: Concentration in Sociocultural Anthropology (AN28) (1) Have formal learning outcomes been developed? Yes (6) Date of the last Academic Senate Review? 2014-15	Information Literacy All Anthropology majors will receive concentrated training in a specialty within Anthropology: AN26 Biological Anthropology majors concentrate on the intersection of culture and biology and the evolution of the culture-bearing capacity in humans and closely related species from a strongly comparative perspective. AN27 Anthropological Archaeology majors concentrate on the study of prehistoric complex societies through a theoretically integrated curriculum in archaeological method and theory and comparative world prehistory. AN28 Sociocultural Anthropology majors	Information Literacy All Anthropology majors must complete UCSD college requirements and a minimum of 48 units of upper division courses in Anthropology. All Anthropology majors must complete a 3 course (12 units) core sequence providing an in-depth introduction to the three subfields in Anthropology: Anthropological Archaeology, Biological Anthropology, and Sociocultural Anthropology. All Anthropology majors must satisfy the requirements from one of the three major concentrations described below: AN26 Biological majors must complete 16 units in upper-division Biological Anthropology courses, and 20 units of upper-	Information Literacy Undergraduate Advisor and Director of Undergraduate Studies collect data and act on requests or petitions for variation of requirements. EPC and UGC review committee rules on Anthropology major requirements and course approvals. Periodic outside review.	Information Literacy Internally the department adjusts requirements, core course sequences and scheduling, and availability of electives for the three majors.

	<p>concentrate on ethnographic study of living societies and cultures, with emphasis on Psychological and Political Anthropology and the Anthropologies of Modernity; Religion; and Language.</p>	<p>divisional elective Anthropology courses.</p> <p>AN27 Anthropological Archaeology majors must complete 16 units of upper-division archaeology courses and 20 units of additional upper-divisional elective Anthropology courses.</p> <p>AN28 Sociocultural Anthropology majors must complete 12 units from an approved list that exemplify subtopics in the Sociocultural field of research, 4 units from a Sociocultural course focusing on a particular region, country, or religion, and 20 units of additional upper-division elective Anthropology courses.</p>		
	<p>Critical Thinking</p> <p>Develop a strong liberal arts education with an emphasis on critical thinking. All Anthropology Majors will learn a holistic anthropological perspective on human culture and society.</p>	<p>Critical Thinking</p> <p>Students are encouraged to seek experience in anthropological practice through UCSD and other archaeological field schools, UCSD and other study abroad programs, and academic internships</p>	<p>Critical Thinking</p> <p>Director of Undergraduate Studies, Departmental Chair, full faculty, lecturers</p>	<p>Critical Thinking</p> <p>Individual course instructors use feedback to modify their classes and design new courses.</p>
	<p>All other items not color coded</p> <p>Department's undergraduate program is closely aligned with guidelines of the American Anthropological Association, Society for American Archaeology, and the American Association of Physical Anthropologist.</p> <p>By gaining a background in biological anthropology, archaeology, and sociocultural anthropology, students will be prepared for graduate studies in Anthropology, other academic disciplines, professional schools, business, government, teaching and other careers. The major also provides the foundation for employment in business, teaching, diplomatic work, social work, communications and technology fields, and administrative work within large organizations.</p>	<p>All other items not color coded</p>	<p>All other items not color coded</p>	<p>All other items not color coded</p>
