UAAC Holiday Fundraiser + Raffle

We invite all UAAC members to participate in a fundraising event for iTable, the International Students & Programs Office (ISPO) Food Security Initiative to help international students facing food insecurity. Through iTable, international students in need can pick up packages of gift cards and coupons that they can redeem throughout the year for meals. Each package consists of \$50 worth of grocery store gift cards, \$50 worth of TritonCash cards, and a voucher for 5 International Café meals.

To participate in the fundraiser, please consider donating at the December 3rd UAAC meeting. For every \$5 gift card donation, or dried food donation, you will receive a raffle ticket for our “thank you” drawing.
