Re: Fall 2022 Grading

Dear Professor_______________,

Following up on the Divisional Senate’s Campus notice from December 2, I am writing to provide you with a list of students in your courses that may experience negative consequences of they do not receive grades by the December 20th deadline. There are various reasons why this may be the case; however, for privacy reasons, no private information is being disclosed regarding individual student situations. We are doing this proactively so that students do not need to self-advocate; we are also encouraging students to discuss their circumstances with instructors, if they are so inclined. To echo the Senate’s communication, we are providing this information to help you negotiate this difficult time. More information is available here.

Note: Financial aid for Winter 2023 will begin disbursing 10 days prior to the start of the quarter for all other eligible students. For questions about student financial aid, please direct students to fas.ucsd.edu or have them email: finaid@ucsd.edu.
